RE: Geokinetics  
Annual Report  
ACT/047/002  
Uintah County, Utah

Dear Mr. Sharrer:

Thank you for your annual update on the reclamation work performed at the Experimental Site #1 in 1982. The presentation was thoughtful and clear and appreciated for its timeliness.

The review of the Seep Ridge and Wolf Den Projects is continuing with unusual regulatory fervor. I hope we will be contacting you shortly.

Sincerely,

THOMAS N. TETTING
